

## **LEADERSHIP 544 (4 Credits)**

**Teacher: H. Bertrand**

This course is designed to provide students with opportunities to grow as people and to learn to work with people. Throughout the year, the students will get involved in sports, arts and other co-curricular activities within the school so that they may develop academically as well as socially.

Research has shown that students who are involved at their school do well academically as their motivation and time management skills improve. **The students in this class are required to get involved in student life each semester.**
