

CASAA Jr. High resources

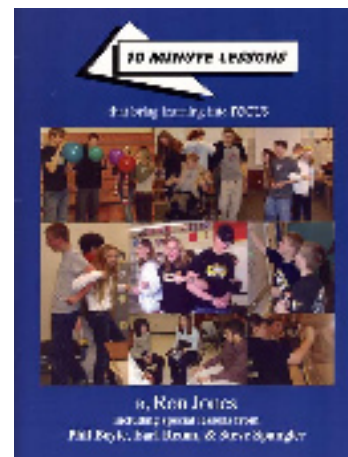

This book gives a general overall view of an activity program. It doesn't lay out the pathway, but it gives you directions to the places that you want to take your students.

This resource contains information on:

- Having fair elections
 - Generating spirit
 - Organizing student council
 - Running fundraisers
 - Promoting your programs
 - Leadership class outlines and resources
 - Assembly presentations
 - How to run effective events
 - Further resources for activities
 - Advice for the rookie and experienced advisor
- 190 pages (cost \$30)

If you are looking for easy ways to start your lessons or meetings with a quick leadership activity, look no further. A great book from speaker and workshop session leader, Phil Boyte. 48 pages (cost \$25)

10 MINUTE LESSONS is a compilation of activities, demonstrations, initiatives, challenges and presentations from experienced workshop presenters. Each 10 Minute Lesson helps students discover, understand, internalize, and utilize a wide array of important concepts, ideas, and principles. 47 pages (cost \$25)

You can buy both FOCUS and 10 Minute Lessons as a package for \$40.00
