

CASAA Student Activity Sourcebook

This book was designed to give the advisor an overall view of an activity program. This invaluable resource contains information on:

- Having fair elections
- Generating spirit
- Organizing student council
- Running fundraisers
- Promoting your programs
- Leadership class outlines and resources
- Assembly presentations
- How to run effective events
- Further resources for activities
- Advice for the rookie and experienced advisor

190 pages (cost \$30)

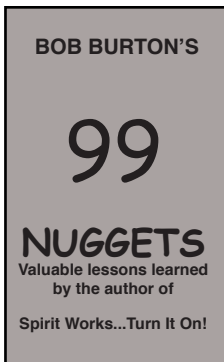

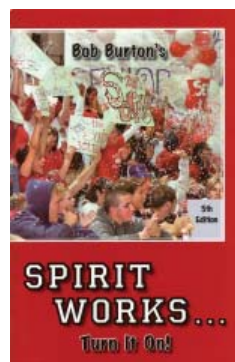

CASAA Leadership Handbook

Many schools are teaching leadership for credit and this book was designed from an existing curriculum. This resource contains great information on:

- Leadership Course outline
- Lessons in leadership for students
- Self-awareness exercises
- Leadership contract
- Goals for leadership
- Public speaking skills
- Dealing with the media
- Goal setting
- Further resources for a Leadership course
- Material for beginning and experienced teachers

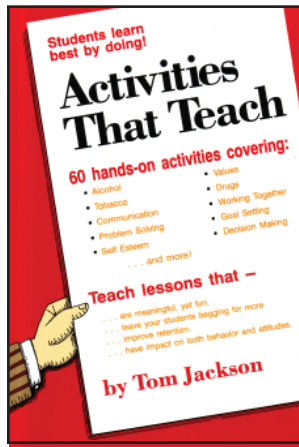

190 pages (cost \$30)

Spirit Works and 99 Nuggets

Spirit Works has over 1,000 exciting ideas for noontime activities, class competition games, staff appreciation suggestions and fundraising ideas. 99 Nuggets contains the wisdom and insights of over 20 years experience by Bob Burton. Both books will give a sound basis for a beginning program and provide spark and direction for existing programs. Both invaluable books are sold together.

total of 166 pages (cost \$30)

Activities that Teach

Tom Jackson's series of books are extremely popular with advisors across the country. This is the first book in his *Activities that Teach* series. These sixty unique activities engage students in positive learning experiences. These books are suitable for Peer helpers, Leadership classes, Counsellors, and Substance Abuse Prevention. 230 pages (cost \$30)

Advisor Starter Pack: You can order all five books and save \$20.
